PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Charles Crawford respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 230A at Davis, Oklahoma.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 230A to Davis, Oklahoma as that community's first local FM service. Davis, Oklahoma is an incorporated city with a population of 2,610 people¹. Davis has its own mayor, Richard McKee, its own post office, fire department, police department, city offices, library, school system and a number of local churches. Davis is a community that is certainly deserving

¹U.S. Census 2000

of a local FM service. The proposed channel 230A will provide additional diversity and an outlet for local self-expression to Davis residents and therefore is in the public interest.

Attached hereto is a channel study confirming that Channel 230A can be allocated to Davis, Oklahoma, consistent with the FCC's FM separation rules. See revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1992). (See, Attachment A) Note: Channel 230A at Roff, Oklahoma was withdrawn on October 17, 2003. (See, Attachment B) Also note: Channel 230C1 at Archer City, Texas was dismissed by Report & Order, DA 03-2468, released July 25, 2003. (See, Attachment C) Reference coordinates for Channel 230A at Davis, Oklahoma are:

34 35 16 N
97 04 49 W

Should this petition be granted and Channel 230A be allotted to Davis, Oklahoma, Petitioner will apply for Channel 230A at Davis and after it is authorized, will promptly construct the new facility.

The factual information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,

REPORT AND ORDER
(Proceeding Terminated)

Adopted: July 24, 2003

Released: July 25, 2003

By the Chief, Audio Division:

1 The Audio Division has before it the *Notice of Proposed Rule Making* in this proceeding proposing the substitution of Channel 248C2 for Channel 248C1 at Archer City, Texas.¹ This would conform the FM Table of Allotments to reflect the current authorization of Station KRZB, Channel 248C2, Archer City, Texas (BMPH-199902171B) Texas Grace Communications ("Texas Grace"), permittee of Station KRZB, filed Comments supporting the proposed channel substitution. For the reasons discussed below, we are amending the FM Table of Allotments to specify Channel 248C2 at Archer City, Texas.

Background

2 In the *Report and Order* in MM Docket No. 99-23, we substituted Channel 248C1 for Channel 248C2 at Archer City, Texas, and modified the Texas Grace construction permit for Station KRZB, Archer City, to specify operation on Channel 248C1.² That action became effective on January 18, 2000. That action was also specifically conditioned upon Texas Grace filing an application to implement this upgrade within 90 days of the effective date. Texas Grace has not done so. For this reason, we, on our own motion, issued the *Notice* in this proceeding proposing the substitution of Channel 248C2 for Channel 248C1 at Archer City.

3 In response to the *Notice*, Texas Grace filed Comments supporting the proposed channel substitution and stating that it has no intention of implementing a Channel 248C1 operation at Archer City. As such, continuing to protect a Channel 248C1 allotment at Archer City results in an unwarranted preclusionary impact which unnecessarily frustrates the introduction of additional service to many communities in Texas and Oklahoma. Therefore, we are substituting Channel 248C2 for Channel 248C1 at Archer City.³

¹ 18 FCC Rcd 9498 (Media Bur. 2003).

² *Tipton, Mangum, Eldorado and Granite, Oklahoma, and Archer City, Texas*, 14 FCC Rcd 21161 (M.M. Bur. 1999).

The reference coordinates for the Channel 248C2 allotment at Archer City, Texas, are 33-51-40 and 98-38-52.

4 Accordingly, pursuant to the authority contained in Sections 4(i), 5(c) (1), 303(g) and (r) and 307(b) of the Communications Act of 1934, as amended, and Sections 0.61, 0.204(b), and 0.283 of the Commission's Rules, IT IS ORDERED, That effective September 8, 2003 2003, the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, IS AMENDED for the community listed below, as follows

<u>City</u>	<u>Channel No</u>
Archer City, Texas	248C2

5 IT IS FURTHER ORDERED, That this proceeding IS TERMINATED
